

TRYPHWELL CARE CONSULTANCY SERVICES

Health & Social Care Training

RAISING STANDARDS THROUGH KNOWLEDGE & SKILLS

At Tryphwell Care Consultancy Services, we believe that well-trained staff are the foundation of safe, high-quality care. We provide comprehensive Health and Social Care training solutions designed to equip care workers, managers, and organisations with the skills, knowledge, and confidence to deliver exceptional service while meeting Care Standards.

OUR TRAINING APPROACH

- **Interactive & Engaging** – Practical, scenario-based learning that goes beyond theory.
- **Regulatory Compliance** – Fully aligned with the Care Standards and Skills for Care

guidelines.

- **Flexible Delivery** – Available in-person, online, or blended formats to suit your team.
- **Tailored to Your Needs** – We adapt content to reflect your service type, client group, and operational requirements.

MANDATORY CARE TRAINING

We deliver all core mandatory and statutory training required for health and social care staff, ensuring compliance and competency. This includes:

1. Care Certificate Standards (for new care workers)
2. Health & Safety Awareness
3. Infection Prevention & Control
4. Manual Handling / Moving & Handling of People
5. Safeguarding Adults & Safeguarding Children
6. Basic Life Support & First Aid Awareness
7. Fire Safety
8. Food Hygiene & Nutrition Awareness
9. Equality, Diversity & Inclusion
10. Mental Capacity Act (MCA) & Deprivation of Liberty Safeguards (DoLS)
11. Medication Awareness / Safe Administration of Medicines

SPECIALIST HEALTH & SOCIAL CARE TRAINING

In addition to mandatory courses, we also offer specialist training to meet specific service needs, such as:

- Dementia Awareness
- End-of-Life Care
- Challenging Behavior Management
- Learning Disabilities & Autism Awareness
- Record keeping and documentation standards
- Professional development – De Escalation

TRAINING FEES
